

In today's class, you will learn

**Language**-useful words for hotel, how to use these words tomorrow at the internship

**Content**-talk about pictures, understanding the homepage

The same material for all 3 levels

Work together in groups and look at the homepage (starter page)

- What do you see in the picture? (talk to each other and explain)
- What are the words connected to the picture? (write a list and translate to your native language)
- Take a picture of the same spot in your hotel (tomorrow at the internship) and bring to class

Specified material for level 1 (A1-A2) \*

Work together or individually and answer the questions below

- What phone number should I call if I want to book a room?
- At what time can I eat breakfast?
- How much would a double room for 2 people cost if I book it today?

\*students may use the homepage of their own hotel to individualize the class even more.  
They can also compare different homepages from different hotels.

What have you learned

New words

Knowledge on how to navigate on a homepage (ENT)

Finding information focused to your own hotel (ENT)

Compiling information

Connecting information from class to your internship and further connecting the internship back to the class on the next lesson (ENT)

Taking responsibility (to solve the exercise) (LA)

Making choices (working in pairs/groups/individually) (LA)
