Main features of Apprenticeship system

The apprenticeship contract is strongly regulated by laws and regulations under both the French Labour Code and the Education Code.

- Age limit
- Incentives & obligations for the company (work contract + training) – for the learner)
- Duration
- Exam and validation rules & regulations

Reform in 2018 of the VET system

- ❑ New governance mechanisms
- ❑ New funding and management model for training centres
- ❑ Simplification for opening training centres
- ❑ Quality certification QUALIOP1
- ❑ Unique incentive for companies under 250 employees
- ❑ Preparation period before signing an apprenticeship contract
- ❑ Competence of apprentice tutor defined by the branch organisation
- ❑ Internationalisation

...

The number of apprentices continued to increase with the reform
+ 16% : until January 2020 up to 491 000.

Organisation of international Learning Mobility for apprentices

- ❑ Mobility coaches in the training centres
- ❑ Professionalisation of Mobility coaches
- ❑ Financing of activities of mobility coaches (obligatory for OPCO)
- ❑ Distinction in duration of mobility: Mobility up to 4 weeks and mobility + 4 weeks
- ❑ Co-financing of other costs (complementary to ERASMUS+) (non obligatory for OPCO)
- ❑ Support for long term mobility (EAM association) <https://www.euroappmobility.eu/>
