Description:

Ullensvang municipality participates in a national project (Framtidas Kulturskule: Culture school of the future) with focus on co-creation of public services. Cultural Youth Camp Ullensvang is one of the results of this project.

One week of entrepreneurial/creative workshops in Ullensvang municipality, involving many local stakeholders. Aim: inspire youth and let them experience different cultural activities during one week of their summer holidays.

Activities:

This resulted in the following activities/workshops at the Youth Camp:

- drawing/painting
- jewellery design
- photo/film
- sound/light/scene (everything behind the scene)
- organising an event/feast
- music (singing/music instrument/band)

Co-funded by the
Erasmus+ Programme
of the European Union

- e-sports/gaming
- cooking

Workshops of different length (some 1 or 2 days, others the whole week)

Participants were able to choose before the camp started

Those who participated in the workshop Events were involved in planning a Youth Party for all young participants on Friday night (incl. two concerts)

Outputs

Impact:

Empowerment of the young inhabitants

Building entrepreneurial/creative arts skills

Increasing Youth entrepreneurial spirit in the local community

Success factors:

Youth involvement, youth empowerment, local co-creation and team work.

Bottom-up approach methodology in the preparation phase: Travelling around (lower/upper) secondary schools to get feedback from the young people on the kind of activities they were interested in. Digital tool that was used: digital mentometer in every class of the lower secondary schools in Ullensvang.
