Index

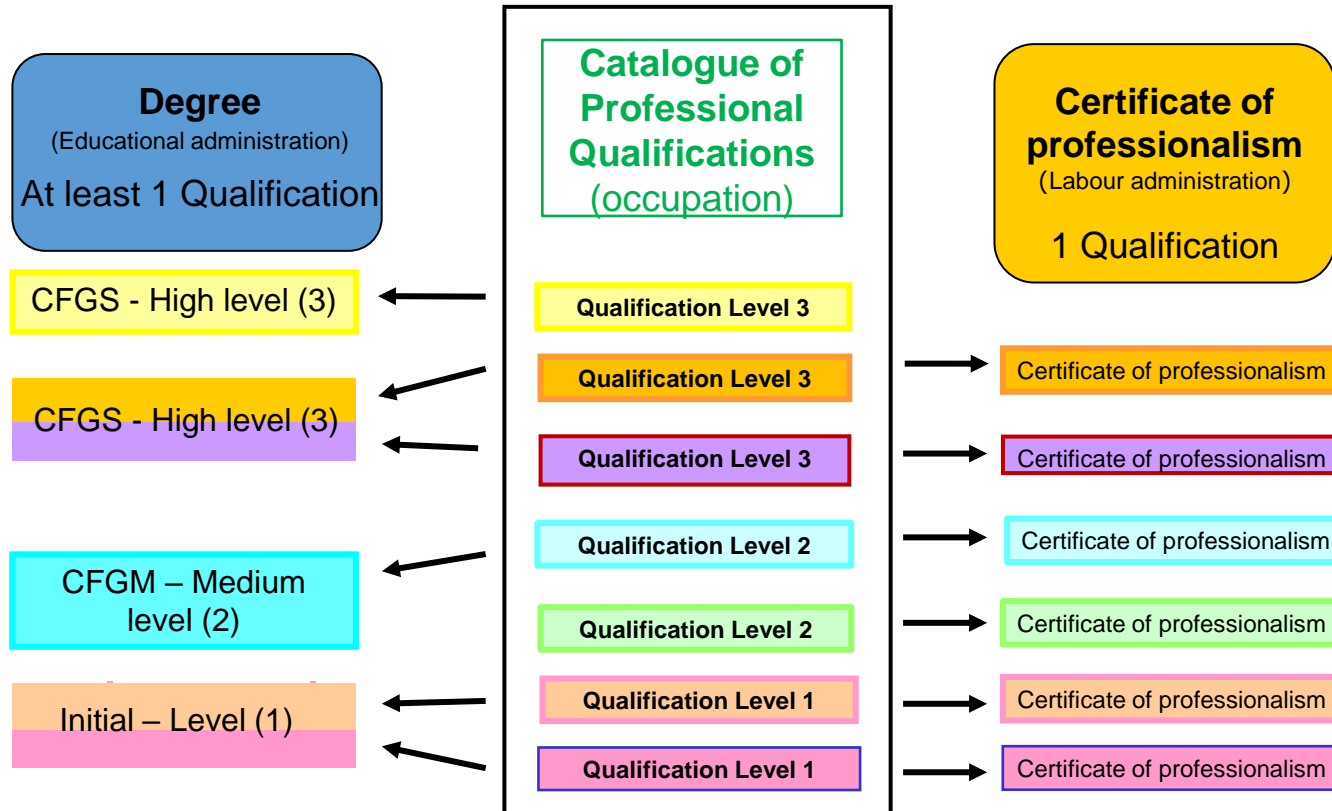

- 1. The integrated system of vocational training
(Spanish-Catalan Educational System)**
- 2. Advisory and Recognition Service /
Competence Accreditation Service**
- 3. Advantages / disadvantages**

1. The integrated system of vocational training (Spanish-Catalan Education System)

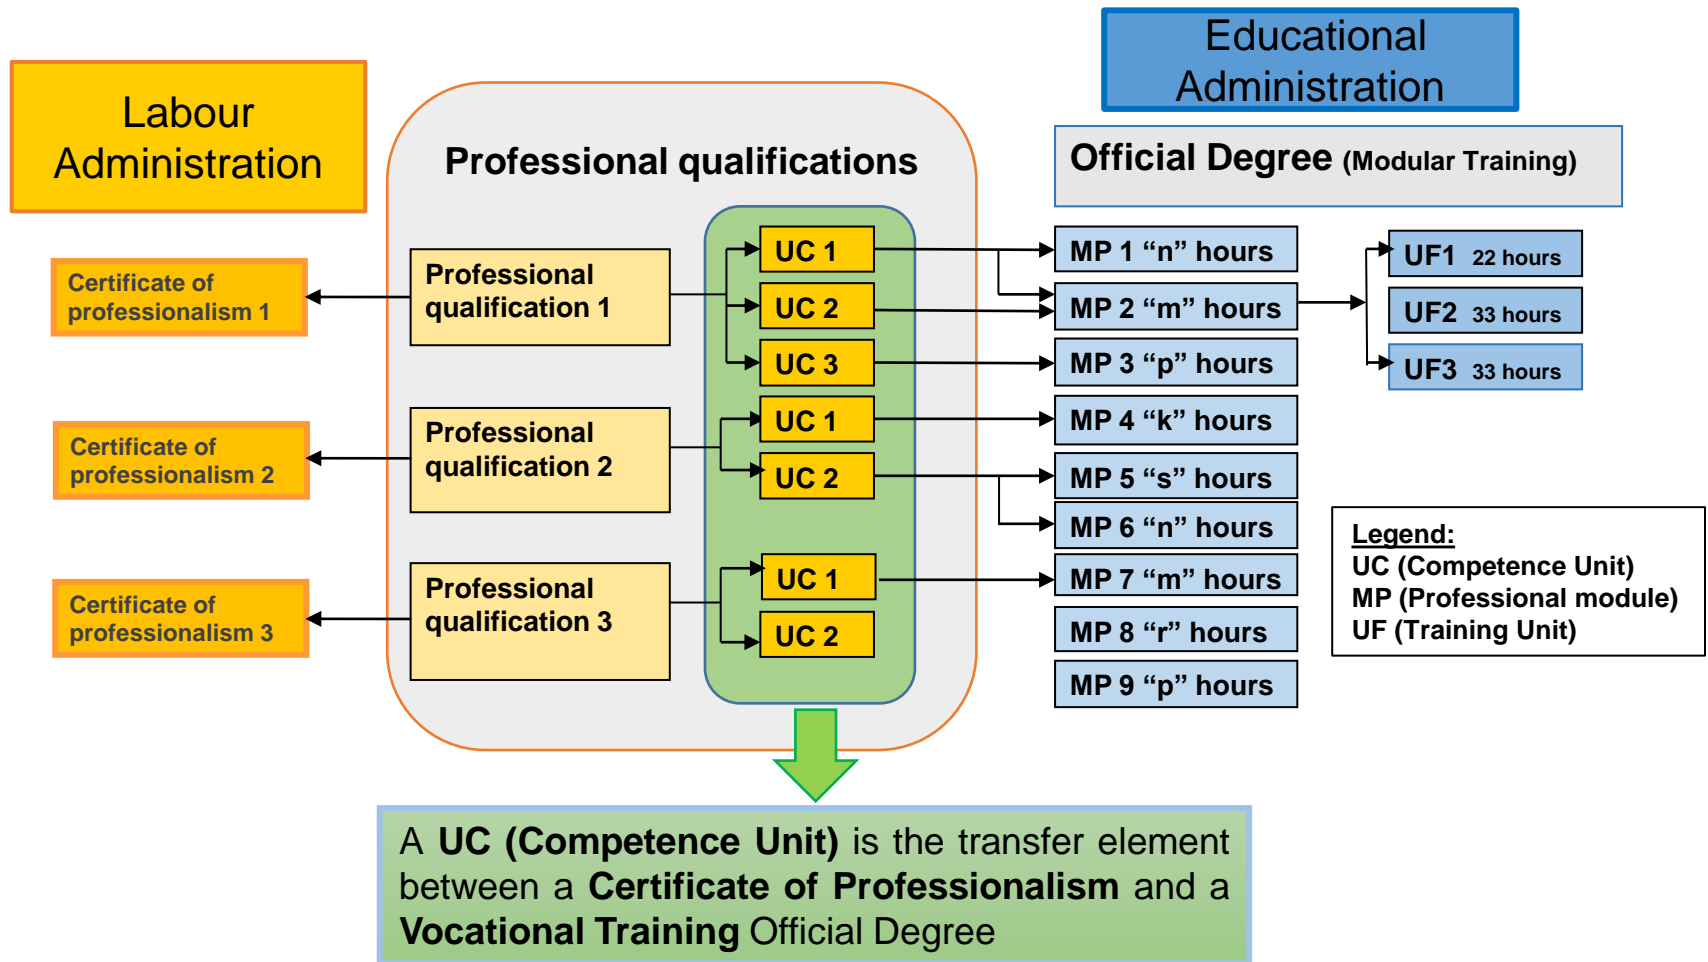

* Currently, occupational training is also taking place at VET schools

1. The integrated system of vocational training (Spanish-Catalan Educational System)

- The **Degree** and **Certificates** are made from the **Catalogue of Qualifications**
- The catalogue of qualifications are ordered according to the skills most suitable for professional practice (family, sectors and levels)

1. The integrated system of vocational training (Spanish-Catalan Educational System)

- Passing all professional modules allows you to obtain the Official Degree.
- Overcoming the **professional module or professional modules** associated to a **Competence Unit** also allows to certificate a **UC (Competence Unit)**

2 . Advisory and Recognition Service / Competence Accreditation Service

□ Recognition and Advisory Service:

- **WHO OFFERS IT:** Vocational Training schools (Ministry of Education)
 - **WHAT IS IT:**
 - General → Recognition of work experience within the educational system
 - Special flexible measures → Recognition of the training by companies that have a specific agreement with the educational system
- **Recognition of Academic Degrees: Professional Modules (related to a UC) and Training Units.**

□ Competence Accreditation Service:

- **WHO OFFERS IT:** Competence Accreditation Agency (Currently FPCAT Agency - *Public Agency of Professional Training and Qualification of Catalonia*-, previous ICQP - *Catalan Institute of Professional Qualifications* → *INCUAL -Spanish Institute-*)
 - **WHAT:** Accreditation of work experience and company training within the Spanish-Catalan training system
- **Recognition Certificates of Professionalism: UC (Competence Unit) / Professional Qualifications**

3. Advantages / disadvantages

- **Advantages**
 - Promotes learning continuity within the system
 - Recognition/accreditation of:
 - Academics degrees: UFs (Training Units)→Modules→UC
 - Certificates of professionalism: UC (Competence Unit)
- **Disadvantages**
 - Although we have defined many trainings, they have to be within the formative system

Thank you for your time
