LOCAL STRATEGIES TO GET THE INTEGRATION OF YOUNG AND WOMEN THIRD-COUNTRY NATIONALS

Programme

AMIF-2023-TF2-AG-CALL-02 - Integration and inclusion at regional and local level

Objective:

The objective of the project is to design a local strategy for the holistic integration of young and female migrants in local rural communities based on public-private partnerships and the development of volunteering projects, mentoring and buddy systems.

WP1 Management

WP2 Dissemination and capitalisation

Raising awareness campaigns for hosting communities, migrants, media, etc. **Pointing out third country nationals views and opinions.**

WP3 Diagnosis

Identification of obstacles and positives aspects of each territory, mapping of actors (integration is not only a governmental priority but a societal challenge), **transfer of good practices from urban to rural areas**, peer review.

WP4 Cities for the integration Toolkit and Strategy

Work programme:

- Organisation of roundtables at local level. It is crucial to involve both migrants and host communities
- Definition of hot topics for each territory:
 - Education – Inclusion to avoid drop out.
 - Employment - “Buddy schemes” and mentoring activities. Diversity recruitment plans
 - Participation – Be an active citizen
 - Integration through culture and sport activities
- Creation of a network of local mentors (volunteers), including migrants more experienced.
- Design of toolkit, range of tools to outline objectives, activities and indicators for monitoring local strategies

WP5 Capacity building

- Training of local professionals dealing with integration.
- Training pills to improve educational qualifications and skills that are sufficient to find a job.
 - Development of second change programmes.

EUROVERTICE

ESPECIALISTAS EN FINANCIACIÓN EUROPEA

- Measures to facilitate the school-to-work transition
- Labour market activation measures.

WP6 Piloting the integration strategies

- Launching events in local communities
- Implementation of local integration strategies
- Peer review among participating municipalities

Duration 36 months

Project coordinator Municipality of Lorquí

Submission deadline 16th May 2023.

Budget The project would have an approximative budget between €1,700,000 and €1,900,000.

EU Co-financing 90% of the budget (the remaining 10% is covered by the work time of the staff involved in the project).

Partners profile A consortium of 6-8 partners.
It will have the following partner profiles:

- Municipalities
- Other territorial public authorities
- Universities or training centres
- Business sector organisations (Chambers of Commerce, etc.)
- Stakeholder associations (NGOs, youth and migrants associations, etc.)
