*"LeadEx aims to enhance regional education policies in Europe by fostering excellence, inclusion, and digital innovation, with a particular focus on vulnerable groups."*

# LeadEX Partnership

1. **Regional Ministry of Education, Vocational Training and Employment - Region of Murcia (ES, LP)**
2. **European Association of Regional and Local Authorities for Lifelong Learning (BE, AP)**
3. Podkarpackie Region (PL)
4. Central Denmark Region (DK)
5. Slovenian Ministry of Education (SL)
6. The Centre for Vocational Education, Montenegro (ME)
7. Estonian Quality Agency for Education (EE)
8. Varaždin County (HR)

## IMPACT

LeadEx will improve education in Europe by focusing on continuous teacher development, inclusion, and innovation. It will ensure all students, regardless of background, access high-quality education and foster both academic and personal growth. By integrating new technologies and teaching methods, it will create more engaging and inclusive learning environments. This project will benefit educators, students, and local communities, shaping a more equitable and effective education system.

# Thank you!
